2) It is not traceable in what connection this note d 1/4/31 was written by the Dir. of Agri. As per G.O. d 1/3/28 the rent of buildings in which Vety dispensaries or Hospitals are located is to be borne in equal proportions by the Govt & the local Bodies. But it is not clear how the local Bodies have to bear the half among themselves — the Dt Bd & the Municipality. As the maintenance charges of these institutions are fixed in the G.O. d 30/3/25, the same proportion namely wholly by the Dt Bd in rural areas & in municipal areas two thirds by the Dt Bd & one-third by the Municipality — may be followed here also perhaps. Subd for orders.

8/8/31 3) The same proportion in respect of rent may be adopted as in the case of maintenance charges.

SIR,

In continuation of my D.O. No.(U.O.) 11 dated 1-4-1931 re. proportion in which rents of Veterinary Hospitals and Dispensaries in the State should be borne by Government, the District Boards and the Municipalities, I have the honour to state that the Superintendent, Civil Veterinary Department, reports that there is at present no uniform procedure among local bodies in this respect and that in the Tumkur District only one-third of half the rent is being recovered from the Municipalities, while in the Shimoga District, the District Board and the Municipalities bear the charge in equal proportions.

Government Order No.D.10535-54/C.V.33-27-4 dated 1-3-1928 seems to be clear that Government should pay half the rent in all cases and that the District Board ~~xxxx~~ should pay the other half when the Municipality is unable to make any contribution. When the Municipality is able to pay, ¼ (one-fourth) ~~xf~~ the cost is debitable to it and the other ¼ (one-fourth) to the District Board.

As I believe it would be desirable to have a uniform procedure I submit the matter for a definite ruling.

I have the honour to be,
Sir,
Your most obedient servant,

L. C. Coleman

for Director of Agriculture.

There seems to be some confusion regarding the proportion in which the rent has to be borne by the Government, District Board and Municipality. I am trying to get accurate information on the point and shall send you a reply as soon as a report, which has been called for from the Superintendent, Civil Veterinary Department, is received in this office.

I am herewith returning your office file referred unofficially as I do not wish to detain it here any longer.
